Nutrition and allergen information is based on our standard product formulations and menu. Allergen details are provided for the nine major food groups identified under the Food Allergen Labeling and Consumer Protection Act of 2004. Please note that variations may occur due to differences in preparation, recipe modifications, or ingredient substitutions. Limited Time Offers, Feature Flavors, and Test Products may not be reflected in the information provided above.

Persons with food allergies are encouraged to review allergen information prior to consuming our products. If you have questions or need additional details, please contact us through the Guest Feedback form on our website.
